Peter F. Kilmartin, Attorney General

Dear Open Government Summit Attendee:

I would like to thank you for attending the 15th annual Open Government Summit and I would also like to thank Roger Williams University School of Law for hosting such an important event.

Rhode Island's Open Meetings Act and Access to Public Records Act are critical to ensuring that this State's government operations remain open and accountable to the public. It has long been this Department's philosophy that education concerning the Open Meetings Act and the Access to Public Records Act advances the goal of ensuring that government remains open and accountable to the public.

To this end, the Department of Attorney General is committed to public outreach and education concerning the requirements of the Open Meetings Act and Access to Public Records Act. Members of the Attorney General's Office will be available to conduct open government trainings and I encourage you to contact the Office to arrange training sessions for a city/town or regional area. Additionally, this Department will continue to issue, upon request from legal counsel for public bodies, two types of advisory opinions concerning any pending matter that may implicate either the Open Meetings or Access to Public Records Acts: oral/telephonic advisory opinions, which are not binding upon the Department of Attorney General, and written advisory opinions, which express the opinion of this Department.

I also encourage you to take advantage of the resources available at the Department of Attorney General website, www.riag.ri.gov. Our popular *Guide to Open Government* in Rhode Island is located in the "Open Government" section and can be printed for distribution. In addition, the Department's website has links to findings and advisory opinions issued from 2001 to the present. These findings and advisory opinions may provide guidance on specific questions that you encounter under the Open Meetings and Access to Public Records Acts. Lastly, a video copy of the 15th annual Open Government Summit will be archived on our website for future viewing and I am particularly grateful to ClerkBase for providing this video and live-streaming service to our State.

On behalf of the entire Department, I again thank you for your interest and commitment to ensuring that state and local government is both transparent and accessible to the people of this State. If either the Department or I can assist you, please do not hesitate to contact us.

Very truly yours,

Peter F. Kilmartin
Attorney General

SECTION I

ACCESS TO PUBLIC RECORDS ACT

ACCESS TO PUBLIC RECORDS ACT FINDINGS - 2013

- PR 13-01** **Reilly v. Providence Economic Development Partnership**
The Providence Economic Development Partnership ("PEDP") violated the APRA when it exempted certain documents in whole. This Department concluded that the documents were reasonably segregable and that disclosure of the non-exempt information would shed light on government operations. The PEDP did not violate the APRA when it withheld a checklist because that document fell within the working papers exemption. See R.I. Gen. Laws § 38-2-2(4)(K).
VIOLATION FOUND.
Issued January 7, 2013.
- PR 13-02** **Felise v. East Bay Energy Consortium**
OM 13-02 The East Bay Energy Consortium ("EBEC") is not required to post its minutes on the Secretary of State's website because it is not an entity as defined by R.I. Gen. Laws § 42-46-7(d); thus, the EBEC did not violate the Open Meetings Act. The EBEC also had "good cause" pursuant to R.I. Gen. Laws § 38-2-7(b) to extend its response time to the public records request at issue an additional twenty (20) business days.
Issued January 18, 2013.
- PR 13-03** **McQuade v. Rhode Island State Police**
The Rhode Island State Police did not violate the APRA when it withheld from disclosure an initial incident report that involved the Complainant, but did not result in an arrest.
Issued March 1, 2013.
- PR 13-04** **CCF, LLC v. Rhode Island Department of Transportation**
The Complainant alleged the Rhode Island Department of Transportation ("RIDOT") withheld or refused to produce responsive records. Since this Department was neither presented nor discovered any evidence to support the conclusion that RIDOT did not produce all documents responsive to the Complainant's APRA request, this Department concluded that the RIDOT did not violate the APRA.
Issued March 6, 2013.
- PR 13-05** **Chariho Regional School v. Kingston Hill Academy**
The Kingston Hill Academy ("KHA") did not violate the APRA when it charged the Complainant a "return to storage" fee. Similar to Direct Action for Rights and Equality v. Gannon, 819 A.2d 651

(R.I. 2003)("costs of redaction should be borne by the requesting party because it is part of the process of retrieving and producing the requested documents"), the reasonable time to return documents to their original storage area "should be borne by the requesting party." See also R.I. Gen. Laws § 38-2-4(b). KHA did not violate the APRA by charging Complainant for "photocopies" that it had requested. Under R.I. Gen. Laws §§ 38-2-3(g) and (k), even if minutes were electronically available, upon the request of a person or entity to obtain photocopies, a public body would be required to provide photocopies.

Issued March 21, 2013.

PR 13-06

The Providence Journal v. University of Rhode Island, et al.

The University of Rhode Island, Community College of Rhode Island, and Rhode Island College did not violate the APRA when it did not provide the names of students and the amount of tuition waived for each student. The identities of the persons receiving or benefitting from a tuition waiver is protected by federal law and the Colleges and University provided the amounts of tuition waived for each student, without providing their identity.

Issued March 29, 2013.

PR 13-07

Zompa v. West Warwick Police Department

The West Warwick Police Department did not violate the APRA when it withheld from disclosure an incident report that involved the Complainant, but did not result in an arrest.

Issued April 8, 2013.

PR 13-08

Catanzaro v. East Greenwich Police Department

The East Greenwich Police Department violated the APRA when it failed to timely respond to the Complainant's APRA request. Upon receipt of a records request, a public body is obligated to respond in some capacity within ten (10) business days, either by producing responsive documents, denying the request with a specific reason(s), or extending the time period necessary to comply. R.I. Gen. Laws § 38-2-7. Although this Department declined to find the violation was "reckless" because no prior Department of Attorney General finding examined the "reckless" standard, nor did the APRA define "reckless," we advised the Police Department and all public bodies of some authorities concerning what may constitute a reckless violation.

VIOLATION FOUND.

Issued May 6, 2013.

- PR 13-09** **Hazelwood v. Town of West Greenwich**
This Department found that although a proper request was made pursuant to the Town's policy for making an APRA request, the Town did not violate the APRA when it could not produce a document that did not exist.
Issued May 21, 2013.
- PR 13-10** **Radtke v. Rhode Island Department of Public Safety**
The Department of Public Safety did not violate the APRA when it withheld from disclosure an incident report that did not result in an arrest. See R.I. Gen. Laws § 38-2-2(4)(D)(c).
Issued May 21, 2013.
- PR 13-11** **O'Rourke v. Bradford Fire District**
The Bradford Fire District (the "District") violated the APRA when it failed to respond to Complainant's APRA request within ten (10) business days. The District did not violate the APRA, however, when it did not produce a document that did not exist, and where no evidence was presented as to the document's existence.
VIOLATION FOUND.
Issued May 31, 2013.
- PR 13-12** **DiDomenico v. Cumberland Police Department**
The Cumberland Police Department violated the APRA when it failed to deny an APRA request in writing. See R.I. Gen. Laws § 38-2-7. Instead, the Police Department orally denied the APRA request. Although this Department's precedent suggested that the withheld documents, i.e., incident reports, were exempt from public disclosure, the Police Department later provided the withheld documents, and accordingly, it was unnecessary to address whether the instant incident reports were public records.
VIOLATION FOUND.
Issued July 3, 2013.
- PR 13-13** **Law Office of Michael Kelly v. City of Woonsocket**
Although the City eventually provided the Complainant with most documents responsive to its APRA request, the City violated the APRA when it failed to timely respond to the Complainant's APRA request. See R.I. Gen. Laws § 38-2-7(a). The City was allowed ten (10) business days to provide a response explaining why this Department should not find the violation knowing and willful, or alternatively, reckless. The City further violated the APRA when it failed to provide the Complainant with documents responsive to Request No. 8, or in the alternative, provide the Complainant with

a reason exempting these documents. See id. The City was allowed ten (10) business days to explain its lack of response to Request No. 8 and provide this Department with a response as to why the City's lack of response to Request No. 8 should not be found knowing and willful, or alternatively, reckless. A supplemental finding will follow.

VIOLATION FOUND.

Issued July 3, 2013.

PR13-14 Pontarelli v. RI Department of Elementary & Secondary Ed.

The Rhode Island Department of Elementary and Secondary Education did not violate the APRA when it denied the Complainant's APRA request for certain documents. The subject documents were either already in the Complainant's possession, not responsive, or exempt since the privacy interests outweighed the public interest.

Issued July 3, 2013.

ACCESS TO PUBLIC RECORDS ACT
ADVISORY OPINIONS - 2013

ADV PR 13-01 In re Rhode Island Resource Recovery Corporation

The RIRRC sought advice concerning whether the disclosure of an aged accounts receivable document would implicate R.I. Gen. Laws § 38-2-6. The Department opined that disclosure did not fall within the prohibition for "use [of] information obtained from public records * * * to obtain a commercial advantage over the party furnishing that information to the public body." This provision has been superceded by statute.

Issued January 15, 2013.

ADV PR 13-02 Request for Advisory Opinion
(cellular telephone billing records)

The Department of Attorney General declined to address the general advisory request whether the General Treasurer's and her Chief of Staff's cellular telephone bills, and in particular the telephone numbers called or received, are public records. The subject telephone bills were not provided and the general nature of the request, as well as the timing of the request, made a more specific advisory request impracticable.

Issued January 28, 2013.

CHAPTER 2

ACCESS TO PUBLIC RECORDS

38-2-1.Purpose. — The public's right to access to public records and the individual's right to dignity and privacy are both recognized to be principles of the utmost importance in a free society. The purpose of this chapter is to facilitate public access to public records. It is also the intent of this chapter to protect from disclosure information about particular individuals maintained in the files of public bodies when disclosure would constitute an unwarranted invasion of personal privacy.

38-2-2. Definitions. — As used in this chapter:

(1) "Agency" or "public body" means any executive, legislative, judicial, regulatory, or administrative body of the state, or any political subdivision thereof; including, but not limited to, any department, division, agency, commission, board, office, bureau, authority, any school, fire, or water district, or other agency of Rhode Island state or local government which exercises governmental functions, any authority as defined in section 42-35-1(b), or any other public or private agency, person, partnership, corporation, or business entity acting on behalf of and/or in place of any public agency.

(2) "Chief administrative officer" means the highest authority of the public body.

(3) "Public business" means any matter over which the public body has supervision, control, jurisdiction, or advisory power.

(4) "Public record" or "public records" shall mean all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, magnetic or other tapes, electronic data processing records, computer stored data (including electronic mail messages, except specifically for any electronic mail messages of or to elected officials with or relating to those they represent and correspondence of or to elected officials in their official capacities) or other material regardless of physical form or characteristics made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency. For the purposes of this chapter, the following records shall not be deemed public:

(A) (I) (a) All records relating to a client/attorney relationship and to a doctor/patient relationship, including all medical information relating to an individual in any files;

(b) Personnel and other personal individually-identifiable records otherwise deemed confidential by federal or state law or regulation, or the disclosure of which would constitute a clearly unwarranted invasion of personal privacy pursuant to 5 U.S.C. 552 et. seq.; provided, however, with respect to employees, and employees of contractors and subcontractors working on public works projects which are required to be listed as certified payrolls, the name,

gross salary, salary range, total cost of paid fringe benefits, gross amount received in overtime, and any other remuneration in addition to salary, job title, job description, dates of employment and positions held with the state municipality, or public works contractor or subcontractor on public works projects, employment contract, work location, and/or project, business telephone number, the city or town of residence, and date of termination shall be public. For the purposes of this section "remuneration" shall include any payments received by an employee as a result of termination, or otherwise leaving employment, including, but not limited to, payments for accrued sick and/or vacation time, severance pay, or compensation paid pursuant to a contract buy-out provision.

(II) Notwithstanding the provisions of this section, or any other provision of the general laws to the contrary, the pension records of all persons who are either current or retired members of any public retirement systems as well as all persons who become members of those retirement systems after June 17, 1991 shall be open for public inspection. "Pension records" as used in this section shall include all records containing information concerning pension and retirement benefits of current and retired members of the retirement systems and future members of said systems, including all records concerning retirement credits purchased and the ability of any member of the retirement system to purchase retirement credits, but excluding all information regarding the medical condition of any person and all information identifying the member's designated beneficiary or beneficiaries unless and until the member's designated beneficiary or beneficiaries have received or are receiving pension and/or retirement benefits through the retirement system.

(B) Trade secrets and commercial or financial information obtained from a person, firm, or corporation which is of a privileged or confidential nature.

(C) Child custody and adoption records, records of illegitimate births, and records of juvenile proceedings before the family court.

(D) All records maintained by law enforcement agencies for criminal law enforcement and all records relating to the detection and investigation of crime, including those maintained on any individual or compiled in the course of a criminal investigation by any law enforcement agency. Provided, however, such records shall not be deemed public only to the extent that the disclosure of the records or information (a) could reasonably be expected to interfere with investigations of criminal activity or with enforcement proceedings, (b) would deprive a person of a right to a fair trial or an impartial adjudication, (c) could reasonably be expected to constitute an unwarranted invasion of personal privacy, (d) could reasonably be expected to disclose the identity of a confidential source, including a state, local, or foreign agency or authority, or any private institution which furnished information on a confidential basis, or the information furnished by a confidential source, (e) would disclose techniques

and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions or (f) could reasonably be expected to endanger the life or physical safety of any individual. Records relating to management and direction of a law enforcement agency and records or reports reflecting the initial arrest of an adult and the charge or charges brought against an adult shall be public.

(E) Any records which would not be available by law or rule of court to an opposing party in litigation.

(F) Scientific and technological secrets and the security plans of military and law enforcement agencies, the disclosure of which would endanger the public welfare and security.

(G) Any records which disclose the identity of the contributor of a bona fide and lawful charitable contribution to the public body whenever public anonymity has been requested of the public body with respect to the contribution by the contributor.

(H) Reports and statements of strategy or negotiation involving labor negotiations or collective bargaining.

(I) Reports and statements of strategy or negotiation with respect to the investment or borrowing of public funds, until such time as those transactions are entered into.

(J) Any minutes of a meeting of a public body which are not required to be disclosed pursuant to chapter 46 of title 42.

(K) Preliminary drafts, notes, impressions, memoranda, working papers, and work products; provided, however, any documents submitted at a public meeting of a public body shall be deemed public.

(L) Test questions, scoring keys, and other examination data used to administer a licensing examination, examination for employment or promotion, or academic examinations; provided, however, that a person shall have the right to review the results of his or her examination.

(M) Correspondence of or to elected officials with or relating to those they represent and correspondence of or to elected officials in their official capacities.

(N) The contents of real estate appraisals, engineering, or feasibility estimates and evaluations made for or by an agency relative to the acquisition of property or to prospective public supply and construction contracts, until such time as all of the property has been acquired or all proceedings or transactions have been terminated or abandoned; provided the law of eminent domain shall not be affected by this provision.

(O) All tax returns.

(P) All investigatory records of public bodies, with the exception of law enforcement agencies, pertaining to possible violations of statute, rule, or regulation other than records of final actions taken provided that all records prior to formal notification of violations or noncompliance shall not be deemed

to be public.

(Q) Records of individual test scores on professional certification and licensing examinations; provided, however, that a person shall have the right to review the results of his or her examination.

(R) Requests for advisory opinions until such time as the public body issues its opinion.

(S) Records, reports, opinions, information, and statements required to be kept confidential by federal law or regulation or state law, or rule of court.

(T) Judicial bodies are included in the definition only in respect to their administrative function provided that records kept pursuant to the provisions of chapter 16 of title 8 are exempt from the operation of this chapter.

(U) Library records which by themselves or when examined with other public records, would reveal the identity of the library user requesting, checking out, or using any library materials.

(V) Printouts from TELE -TEXT devices used by people who are deaf or hard of hearing or speech impaired.

(W) All records received by the insurance division of the department of business regulation from other states, either directly or through the National Association of Insurance Commissioners, if those records are accorded confidential treatment in that state. Nothing contained in this title or any other provision of law shall prevent or be construed as prohibiting the commissioner of insurance from disclosing otherwise confidential information to the insurance department of this or any other state or country; at any time, so long as the agency or office receiving the records agrees in writing to hold it confidential in a manner consistent with the laws of this state.

(X) Credit card account numbers in the possession of state or local government are confidential and shall not be deemed public records.

(Y) Any documentary material, answers to written interrogatories, or oral testimony provided under any subpoena issued under Rhode Island General Law § 9-1.1-6.

38-2-3. Right to inspect and copy records — Duty to maintain minutes of meetings — Procedures for access. —

(a) Except as provided in § 38-2-2(4), all records maintained or kept on file by any public body, whether or not those records are required by any law or by any rule or regulation, shall be public records and every person or entity shall have the right to inspect and/or copy those records at such reasonable time as may be determined by the custodian thereof.

(b) Any reasonably segregable portion of a public record excluded by subdivision 38-2-2(4) shall be available for public inspection after the deletion of the information which is the basis of the exclusion. If an entire document or record is deemed non-public, the public body shall state in writing that no

portion of the document or record contains reasonable segregable information that is releasable.

(c) Each public body shall make, keep, and maintain written or recorded minutes of all meetings.

(d) Each public body shall establish written procedures regarding access to public records but shall not require written requests for public information available pursuant to R.I.G.L. section 42-35-2 or for other documents prepared for or readily available to the public.

These procedures must include, but need not be limited to, the identification of a designated public records officer or unit, how to make a public records request, and where a public record request should be made, and a copy of these procedures shall be posted on the public body's website if such a website is maintained and be made otherwise readily available to the public. The unavailability of a designated public records officer shall not be deemed good cause for failure to timely comply with a request to inspect and/or copy public records pursuant to subsection (e). A written request for public records need not be made on a form established by a public body if the request is otherwise readily identifiable as a request for public records.

(e) A public body receiving a request shall permit the inspection or copying within ten (10) business days after receiving a request. If the inspection or copying is not permitted within ten (10) business days, the public body shall forthwith explain in writing the need for additional time to comply with the request. Any such explanation must be particularized to the specific request made. In such cases the public body may have up to an additional twenty (20) business days to comply with the request if it can demonstrate that the voluminous nature of the request, the number of requests for records pending, or the difficulty in searching for and retrieving or copying the requested records, is such that additional time is necessary to avoid imposing an undue burden on the public body.

(f) If a public record is in active use or in storage and, therefore, not available at the time a person or entity requests access, the custodian shall so inform the person or entity and make an appointment for the person or entity to examine such records as expeditiously as they may be made available.

(g) Any person or entity requesting copies of public records may elect to obtain them in any and all media in which the public agency is capable of providing them. Any public body which maintains its records in a computer storage system shall provide any data properly identified in a printout or other reasonable format, as requested.

(h) Nothing in this section shall be construed as requiring a public body to reorganize, consolidate, or compile data not maintained by the public body in the form requested at the time the request to inspect the public records was made

except to the extent that such records are in an electronic format and the public body would not be unduly burdened in providing such data.

(i) Nothing in this section is intended to affect the public record status of information merely because it is stored in a computer.

(j) No public records shall be withheld based on the purpose for which the records are sought, nor shall a public body require, as a condition of fulfilling a public records request, that a person or entity provide a reason for the request or provide personally identifiable information about him/herself.

(k) At the election of the person or entity requesting the public records, the public body shall provide copies of the public records electronically, by facsimile, or by mail in accordance with the requesting person or entity's choice, unless complying with that preference would be unduly burdensome due to the volume of records requested or the costs that would be incurred. The person requesting delivery shall be responsible for the actual cost of delivery, if any.

38-2-3.1. Records required.— All records required to be maintained pursuant to this chapter shall not be replaced or supplemented with the product of a "real-time translation reporter."

38-2-3.2. Arrest logs. - (a) Notwithstanding the provisions of subsection 38-2-3(e), the following information reflecting an initial arrest of an adult and charge or charges shall be made available within forty-eight (48) hours after receipt of a request unless a request is made on a weekend or holiday, in which event the information shall be made available within seventy-two (72) hours, to the extent such information is known by the public body:

- (1) Full name of the arrested adult;
 - (2) Home address of the arrested adult, unless doing so would identify a crime victim;
 - (3) Year of birth of the arrested adult;
 - (4) Charge or charges;
 - (5) Date of the arrest;
 - (6) Time of the arrest;
 - (7) Gender of the arrested adult;
 - (8) Race of the arrested adult; and
 - (9) Name of the arresting officer unless doing so would identify an undercover officer.
- (b) The provisions of this section shall apply to arrests made within five (5) days prior to the request.

38-2-3.16. Compliance by agencies and public bodies. - Not later than January 1, 2013, and annually thereafter, the chief administrator of each agency and each public body shall state in writing to the attorney general that all officers and employees who have the authority to grant or deny persons or entities access

to records under this chapter have been provided orientation and training regarding this chapter. The attorney general may, in accordance with the provisions of chapter 35 of title 42, promulgate rules and regulations necessary to implement the requirements of this section.

38-2-4. Cost. — (a) Subject to the provisions of section 38-2-3, a public body must allow copies to be made or provide copies of public records. The cost per copied page of written documents provided to the public shall not exceed fifteen cents (\$.15) per page for documents copyable on common business or legal size paper. A public body may not charge more than the reasonable actual cost for providing electronic records or retrieving records from storage where the public body is assessed a retrieval fee.

(b) A reasonable charge may be made for the search or retrieval of documents. Hourly costs for a search and retrieval shall not exceed fifteen dollars (\$15.00) per hour and no costs shall be charged for the first hour of a search or retrieval. For the purposes of this subsection, multiple requests from any person or entity to the same public body within a thirty (30) day time period shall be considered one request.

(c) Copies of documents shall be provided and the search and retrieval of documents accomplished within a reasonable time after a request. A public body upon request, shall provide an estimate of the costs of a request for documents prior to providing copies.

(d) Upon request, the public body shall provide a detailed itemization of the costs charged for search and retrieval.

(e) A court may reduce or waive the fees for costs charged for search or retrieval if it determines that the information requested is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.

38-2-5. Effect of chapter on broader agency publication — Existing rights — Judicial records and proceedings. — Nothing in this chapter shall be:

(1) Construed as preventing any public body from opening its records concerning the administration of the body to public inspection;

(2) Construed as limiting the right of access as it existed prior to July 1, 1979, of an individual who is the subject of a record to the information contained herein; or

(3) Deemed in any manner to affect the status of judicial records as they existed prior to July 1, 1979, nor to affect the rights of litigants in either criminal or civil proceedings, including parties to administrative proceedings, under the laws of discovery of this state.

38-2-7. Denial of access. — (a) Any denial of the right to inspect or copy records, in whole or in part provided for under this chapter shall be made to the person or entity requesting the right in writing giving the specific reasons for the denial within ten (10) business days of the request and indicating the procedures for appealing the denial. Except for good cause shown, any reason not specifically set forth in the denial shall be deemed waived by the public body.

(b) Failure to comply with a request to inspect or copy the public record within the ten (10) business day period shall be deemed to be a denial. Except that for good cause, this limit may be extended in accordance with the provisions of subsection 38-2-3(e) of this chapter. All copying and search and retrieval fees shall be waived if a public body fails to produce requested records in a timely manner; provided, however, that the production of records shall not be deemed untimely if the public body is awaiting receipt of payment for costs properly charged under section 38-2-4.

(c) A public body that receives a request to inspect or copy records that do not exist or are not within its custody or control shall, in responding to the request in accordance with this chapter, state that it does not have or maintain the requested records.

38-2-8. Administrative appeals. — (a) Any person or entity denied the right to inspect a record of a public body may petition the chief administrative officer of that public body for a review of the determinations made by his or her subordinate. The chief administrative officer shall make a final determination whether or not to allow public inspection within ten (10) business days after the submission of the review petition.

(b) If the custodian of the records or the chief administrative officer determines that the record is not subject to public inspection, the person or entity seeking disclosure may file a complaint with the attorney general. The attorney general shall investigate the complaint and if the attorney general shall determine that the allegations of the complaint are meritorious, he or she may institute proceedings for injunctive or declaratory relief on behalf of the complainant in the superior court of the county where the record is maintained. Nothing within this section shall prohibit any individual or entity from retaining private counsel for the purpose of instituting proceedings for injunctive or declaratory relief in the superior court of the county where the record is maintained.

(c) The attorney general shall consider all complaints filed under this chapter to have also been filed pursuant to the provisions of § 42-46-8(a), if applicable.

(d) Nothing within this section shall prohibit the attorney general from initiating a complaint on behalf of the public interest.

38-2-9. Jurisdiction of superior court. —

(a) Jurisdiction to hear and determine civil actions brought under this chapter is hereby vested in the superior court.

(b) The court may examine any record which is the subject of a suit in camera to determine whether the record or any part thereof may be withheld from public inspection under the terms of this chapter.

(c) Actions brought under this chapter may be advanced on the calendar upon motion of any party, or sua sponte by the court made in accordance with the rules of civil procedure of the superior court.

(d) The court shall impose a civil fine not exceeding two thousand dollars (\$2,000) against a public body or official found to have committed a knowing and willful violation of this chapter, and a civil fine not to exceed one thousand dollars (\$1,000) against a public body found to have recklessly violated this chapter and shall award reasonable attorney fees and costs to the prevailing plaintiff. The court shall further order a public body found to have wrongfully denied access to public records to provide the records at no cost to the prevailing party; provided, further, that in the event that the court, having found in favor of the defendant, finds further that the plaintiff's case lacked a grounding in fact or in existing law or in good faith argument for the extension, modification, or reversal of existing law, the court may award attorneys fees and costs to the prevailing defendant. A judgment in the plaintiff's favor shall not be a prerequisite to obtaining an award of attorneys' fees and/or costs if the court determines that the defendant's case lacked grounding in fact or in existing law or a good faith argument for extension, modification or reversal of existing law.

38-2-10. Burden of proof. — In all actions brought under this chapter, the burden shall be on the public body to demonstrate that the record in dispute can be properly withheld from public inspection under the terms of this chapter.

38-2-11. Right supplemental. — The right of the public to inspect public records created by this chapter shall be in addition to any other right to inspect records maintained by public bodies.

38-2-12. Severability. — If any provision of this chapter is held unconstitutional, the decision shall not affect the validity of the remainder of this chapter. If the application of this chapter to a particular record is held invalid, the decision shall not affect other applications of this chapter.

38-2-13. Records access continuing. — All records initially deemed to be public records which any person may inspect and/or copy under the provisions of this chapter, shall continue to be so deemed whether or not subsequent court

action or investigations are held pertaining to the matters contained in the records.

38-2-14. Information relating to settlement of legal claims. — Settlement agreements of any legal claims against a governmental entity shall be deemed public records.

38-2-15. Reported violations. — Every year the attorney general shall prepare a report summarizing all the complaints received pursuant to this chapter, which shall be submitted to the legislature and which shall include information as to how many complaints were found to be meritorious and the action taken by the attorney general in response to those complaints.

SECTION II

OPEN MEETINGS ACT

OPEN MEETINGS ACT FINDINGS - 2013

- OM 13-01 **Cosper v. Mental Health Advocate Search Committee**
The Mental Health Advocate Search Committee ("Search Committee") violated the OMA when it failed to disclose the vote taken in executive session. R.I. Gen. Laws § 42-46-4(b). The Search Committee also violated the OMA when it failed to include in the open session minutes a record by individual members of any vote taken. R.I. Gen. Laws § 42-46-7(a)(3).
VIOLATION FOUND.
Issued January 4, 2013.
- OM 13-02 **Felise v. East Bay Energy Consortium**
PR 13-02 The East Bay Energy Consortium ("EBEC") is not required to post its minutes on the Secretary of State's website because it is not an entity as defined by R.I. Gen. Laws § 42-46-7(d); thus, the EBEC did not violate the Open Meetings Act. The EBEC also had "good cause" pursuant to R.I. Gen. Laws § 38-2-7(b) to extend its response time to the public records request at issue an additional twenty (20) business days.
Issued January 18, 2013.
- OM 13-03 **Cardoza v. Portsmouth Open Space Committee**
The Portsmouth Open Space Committee ("POSC") violated the OMA when it held a discussion of the Complainant's job performance in executive session without prior written notice to the Complainant and without notice that such a discussion could be held in open session. See R.I. Gen. Laws § 42-46-5(a)(1). The POSC also violated the OMA when it failed to vote to convene into executive session, and failed to state on the record that: 1) Complainant's job performance would be discussed in executive session and 2) prior to convening into executive session, Complainant was provided advanced written notice that her job performance would be discussed in executive session and failed to record minutes to that effect. See R.I. Gen. Laws §§ 42-46-4(a); 42-46-5(a)(1). The POSC further violated the OMA when the agenda for the May 22, 2012 meeting did not state the nature of the business to be discussed in executive session. See R.I. Gen. Laws § 42-46-6(b). Based on the evidence presented, however, this Department did not find the violations willful or knowing.
VIOLATION FOUND.
Issued January 4, 2013.

- OM 13-04 Brien v. Woonsocket City Council (June 1, 2012 Complaint)**
The Woonsocket City Council did not violate the OMA when it convened in executive session to discuss and review bid proposals for a wastewater contract with the City.
Issued February 14, 2013.
- OM 13-05 Warfel v. New Shoreham Shellfish Commission**
There was no quorum of members collectively discussing or acting upon, through Facebook posts, any matter over which the Shellfish Commission has supervision, control, jurisdiction, or advisory power. See R.I. Gen. Laws § 42-46-2(a). Thus, the Shellfish Commission did not violate the OMA.
Issued March 1, 2013.
- OM 13-06 Rogers v. Foster Town Council**
The Complainant alleged the Foster Town Council ("Town Council") violated the OMA when its 7:00 p.m. December 13, 2012 meeting was incorrectly advertised on the Secretary of State's website for 1:00 a.m. The Complainant also alleged that during the meeting the Town Council appointed a subcommittee, yet that action was not listed on the agenda. Since the Complainant attended the December 13, 2012 meeting, and did not demonstrate that he was aggrieved by either allegation, this Department concluded he did not have standing to raise these allegations. See R.I. Gen. Laws § 42-46-8(a); Graziano v. Rhode Island State Lottery Commission, 810 A.2d 215 (R.I. 2002).
Issued March 14, 2013.
- OM 13-07 Kerwin v. Rhode Island Higher Education Assistance Authority**
Complainant alleged the Rhode Island Higher Education Assistance Authority ("RIHEAA") committed four (4) violations of the OMA. This Department concluded that the RIHEAA did not violate the OMA as there was no evidence that a quorum of board members engaged in rolling quorum discussions in advance of its May 13, 2011 meeting. The RIHEAA did not violate the OMA as its May 13, 2011 executive session agenda was specific enough to adequately inform the nature of the business to be discussed. The RIHEAA did not violate the OMA when a quorum of the board members remained after the conclusion of its July 22, 2011 meeting because this Department determined, based upon the evidence presented, that no substantive discussion occurred amongst the board members. The RIHEAA violated the OMA when it

discussed matters in executive session during its June 17, 2011 and July 22, 2011 meetings that were improper under R.I. Gen. Laws § 42-46-5(a)(7).

VIOLATION FOUND.

Issued March 18, 2013.

OM 13-08 Kerwin v. Rhode Island Higher Education Assistance Authority

The Rhode Island Higher Education Assistance Authority ("RIHEAA") violated the OMA when it failed to articulate the subdivision of R.I. Gen. Laws § 42-46-5(a) upon which its November 9, 2012 executive session was based. The Complainant further alleged that the RIHEAA violated the OMA when it improperly heard an agenda item out of order and that the RIHEAA posts agendas with a blanket statement suggesting their intent to convene into executive session at undetermined times. Since the Complainant presented no evidence that he was aggrieved or in any way disadvantaged by these two potential allegations, this Department did not address these allegations. See Graziano v. Rhode Island State Lottery Commission, 810 A.2d 215 (R.I. 2002).

VIOLATION FOUND.

Issued March 18, 2013.

OM 13-09 Boss v. Woonsocket Budget Commission

Pursuant to Rhode Island General Laws § 45-9-6(a), the Woonsocket Budget Commission ("Budget Commission") is only subject to the OMA under five (5) circumstances. The only allegation that implicated the OMA was the agenda for the August 9, 2012 meeting, which did not violate the OMA. The agenda description "Vote on Revised Fiscal Year 2013 School Budget" sufficiently specified the nature of the business to be discussed. An agenda need not include a verbatim list of every potential aspect that might be discussed in relation to a budget in order to comport with the OMA.

Issued April 17, 2013.

OM 13-10 Kerwin v. RIHEAA

The RIHEAA did not violate the OMA during its April 20, 2012 executive session since the evidence revealed board members asked legal counsel direct and poignant questions concerning legal issues surrounding the Complainant's termination. The RIHEAA violated the OMA when, prior to the subject meeting, board members engaged in discussions of public business through a walking or

rolling quorum outside the public purview. As the evidence also revealed no deliberative discussions occurred and no action was taken prior to the April 20, 2012 meeting, there was nothing to declare null and void and injunctive relief was not appropriate.

VIOLATION FOUND.

Issued April 30, 2013.

OM 13-11 Mudge v. North Kingstown School Committee

The School Committee did not violate the OMA when it convened an emergency meeting on August 27, 2012. Based upon the evidence presented, the School Committee's convening of a meeting on less than forty-eight (48) hours notice was "necessary to address an unexpected occurrence that requires immediate action to protect the public." R.I. Gen. Laws § 42-46-6(c). Additionally, the School Committee did not violate the OMA since there was no evidence that a quorum of the School Committee discussed public business outside the purview of the public prior to the emergency meeting, nor was there evidence that members had communications through a conduit, such as the Superintendent, to constitute a rolling or walking quorum outside the public purview.

Issued May 20, 2013.

OM 13-12 Silva v. Little Compton Budget Committee

The Little Compton Budget Committee ("Budget Committee") did not violate the OMA or the APRA when the Complainant requested a copy of the February 5, 2013 meeting minutes on February 8, 2013. The OMA requires "unofficial minutes shall be available, to the public at the office of the public body, within thirty-five (35) days of the meeting or at the next regularly scheduled meeting, whichever is earlier." R.I. Gen. Laws § 42-46-7(b). Accordingly, the Budget Committee did not violate the OMA or the APRA by failing to provide the requested minutes at the time the request was made since the minutes did not exist at the time the request was made. See also R.I. Gen. Laws § 38-2-3(h).

Issued May 21, 2013.

OM 13-13 Newton et. al. v. East Greenwich Fire District

The East Greenwich Fire District ("Fire District") violated the OMA when its agenda for its October 25, 2012 meeting failed to inform the public that the Fire District would vote to expend public money to authorize the mailing of referendum-related postcards. There was no evidence, however, of a willful or knowing violation. Further, injunctive relief was not appropriate because the Fire

District reconsidered and re-voted to authorize the expenditure at a subsequent meeting.

VIOLATION FOUND.

Issued May 23, 2013.

OM 13-14 Block v. RI Board of Elections

The Rhode Island Board of Elections violated the OMA when its February 27, 2013 meeting agenda did not adequately inform the public of the nature of the business to be discussed. See R.I. Gen. Laws § 42-46-6(b).

VIOLATION FOUND.

Issued June 3, 2013

OM 13-15 Hevey v. Coventry Town Council

This Department found that, in this specific instance, provisions of the Town Charter and the OMA did not conflict; thus, the Coventry Town Council violated the OMA when it failed to provide forty-eight (48) hours notice before its meeting held on April 9, 2013. See R.I. Gen. Laws § 42-46-6(b). This Department did not, however, find a willful or knowing violation and the Town Council reconsidered and re-voted. Accordingly, injunctive relief was not appropriate.

VIOLATION FOUND.

Issued June 13, 2013.

OM 13-16 Gilkenson v. Cranston City Council

The Cranston City Council violated the OMA during its March 25, 2013 meeting when ordinances were introduced and referred to other committees under the generic agenda item "New Business." Although R.I. Gen. Laws § 42-46-6(b) would have allowed the City Council to amend its agenda to add additional items to be referred to other "appropriate committees," there was no evidence that the City Council amended its agenda to add and refer items to other committees.

VIOLATION FOUND.

Issued June 19, 2013.

OM 13-17 McFadden v. Exeter West Greenwich School Committee

The School Committee did not violate the OMA when it did not provide notice to a School Committee member that his conduct would be discussed in open session. The School Committee also did not violate the OMA by failing to include certain language in

the December 12, 2012 minutes because that language was included in the January 8, 2013 minutes.

Issued June 20, 2013.

**OM 13-18 Balbat v. Westerly Housing Authority Board of Commissioners
Holden-Shea v. Westerly Housing Authority Board of Commissioners**

The Westerly Housing Authority Board of Commissioners ("Board") did not violate the OMA during its February 21, 2013 meeting since the agenda included a statement specifying the nature of the business to be discussed. The Board did not violate the OMA when the agenda contained no provision advising of the Board's intent to go into an executive session since the OMA does not specifically address the question of whether a public body must inform the public in advance as to whether a meeting will be held in open or closed session. See R.I. Gen. Laws § 42-46-6; Pine v. Charlestown Town Council, 1997 WL 839926 (R.I. Super.) ("at most," the notice may indicate that the "public body may seek. . . to go into closed executive session").

Issued June 20, 2013.

OM 13-19 Carney v. Charlestown Town Council

The Town Council violated the OMA when it voted to fill a vacancy on the Chariho School Committee through secret ballot vote. Since the Town Council disclosed each members' vote at the next Town Council meeting, injunctive relief was not appropriate. VIOLATION FOUND.

Issued June 28, 2013.

OM 13-20 Morgan v. Foster Board of Canvassers

The Foster Board of Canvassers ("Board") did not violate the OMA when it elected a new Chairperson of the Board during its September 6, 2012 meeting because the Board's agenda provided sufficient notice. The Board did not violate the OMA because there was no evidence that members of the Board had discussions concerning the subject matter of the September 6, 2012 meeting outside the public purview. This Department did not address Complainant's allegation that the September 6, 2012 meeting was not properly posted since the Complainant did not demonstrate that she was aggrieved or in any way disadvantaged by this potential allegation. See Graziano v. Rhode Island State Lottery Commission, 810 A.2d 215 (R.I. 2002).

Issued June 28, 2013.

OM 13-21 Macomber v. Warren Town Council

This Department did not address Complainant's allegation that the Warren Town Council's ("Town Council") agenda for its February 12, 2013 meeting was insufficient to inform the public of the nature of the business to be discussed since the Complainants attended the February 12, 2013 meeting and did not demonstrate that they were aggrieved or in any way disadvantaged by this potential allegation. See Graziano v. Rhode Island State Lottery Commission, 810 A.2d 215 (R.I. 2002). The Town Council did not violate the OMA when it failed to file its minutes for the January 8, 2013 meeting within thirty-five (35) days of the meeting because the Town Council is not a public body defined within R.I. Gen. Laws § 42-46-7(d) and therefore is not required to file its minutes with the Secretary of State. The Town Council violated the OMA when it posted notice on February 22, 2013 for its February 23, 2013 meeting, which did not comply with the forty-eight (48) hour requirement. See R.I. Gen. Laws § 42-46-6(b). This Department did not, however, find a willful or knowing violation.

VIOLATION FOUND.

Issued July 3, 2013.

**OM 13-22 Schofield v. Union Fire District of South Kingstown
Schofield v. Snug Harbor Fire Company**

Based upon the evidence presented, the Complainant was unable to attend a number of open meetings held by the Union Fire District of South Kingstown ("Fire District") and the Snug Harbor Fire Company due to a "No Trespass" order issued by the South Kingstown Police Department. As a result of this no trespass order and the resulting inability to attend meetings, the Complainant contended that the Fire District and the Fire Company violated the OMA. This Department concluded that since it was the Police Department's order that barred the Complainant from the Fire District's and the Fire Company's property, the proper remedy was to challenge the Police Department's no trespass order and not the Fire District's or Fire Company's actions. For this reason, we found that the Fire District and the Fire Company did not violate the OMA.

OPEN MEETINGS ACT
ADVISORY OPINIONS - 2013

ADV OM 13-01

In Re: Board of Regents for Elementary and Secondary Education Appeals Committee

The Board sought advice concerning whether its Appeals Committee may deliberate in executive session at the conclusion of the presentation by the parties with its legal counsel relating to the legal ramifications of their decision. We believe that if a quorum of the Appeals Committee "deliberates" or "collectively discusses" matters over which it has supervision, control, jurisdiction, or advisory power, these deliberations must be held in open session unless otherwise exempt pursuant to R.I. Gen. Laws § 42-46-5.

Issued March 1, 2013.

ADV OM 13-02

In Re: The Rhode Island Interlocal Risk Mgt Trust, Inc.

The Rhode Island Interlocal Risk Management Trust, Inc. (the "Trust") sought an advisory opinion concerning whether the Trust was a public body as that term is defined in the OMA. Based upon the totality of the evidence, including the language in the enabling clause indicating the Trust will not constitute a department of the government of the state of Rhode Island coupled with the fact that the officers of the Trust are neither employees of the State nor of any municipal entity, and are not eligible to participate in any state or municipal pension plans, we conclude the Trust is not a public body for purposes of the OMA.

Issued May 13, 2013.

CHAPTER 46

OPEN MEETINGS

42-46-1. Public policy. — It is essential to the maintenance of a democratic society that public business be performed in an open and public manner and that the citizens be advised of and aware of the performance of public officials and the deliberations and decisions that go into the making of public policy.

42-46-2. Definitions. — As used in this chapter:

(a) "Meeting" means the convening of a public body to discuss and/or act upon a matter over which the public body has supervision, control, jurisdiction, or advisory power. As used herein, the term "meeting" shall expressly include, without limiting the generality of the foregoing, so-called "workshop," "working," or "work" sessions.

(b) "Open call" means a public announcement by the chairperson of the committee that the meeting is going to be held in executive session and the chairperson must indicate which exception of § 42-46-5 is being involved.

(c) "Public body" means any department, agency, commission, committee, board, council, bureau, or authority or any subdivision thereof of state or municipal government or any library that funded at least twenty-five percent (25%) of its operational budget in the prior budget year with public funds, and shall include all authorities defined in § 42-35-1(b). For purposes of this section, any political party, organization, or unit thereof meeting or convening is not and should not be considered to be a public body; provided, however that no such meeting shall be used to circumvent the requirements of this chapter.

(d) "Quorum," unless otherwise defined by applicable law, means a simple majority of the membership of a public body.

(e) "Prevailing plaintiff" shall include those persons and entities deemed "prevailing parties" pursuant to 42 U.S.C. § 1988.

(f) "Open forum" means the designated portion of an open meeting, if any, on a properly posted notice reserved for citizens to address comments to a public body relating to matters affecting the public business.

42-46-3. Open meetings. — Every meeting of all public bodies shall be open to the public unless closed pursuant to §§ 42-46-4 and 42-46-5.

42-46-4. Closed meetings. — (a) By open call, a public body may hold a meeting closed to the public upon an affirmative vote of the majority of its members. A meeting closed to the public shall be limited to matters allowed to be exempted from discussion at open meetings by § 42-46-5. The vote of each member on the question of holding a meeting closed to the public and the reason for holding a closed meeting, by a citation to a subdivision of § 42-46-5(a), and a statement specifying the nature of the business to be discussed, shall be recorded and entered into the minutes of the meeting. No public body shall discuss in closed session any public matter which does not fall within the citations to § 42-46-5(a) referred to by the public body in voting to close the meeting, even if these discussions could otherwise be closed to the public under this chapter.

(b) All votes taken in closed sessions shall be disclosed once the session is reopened; provided, however, a vote taken in a closed session need not be disclosed for the period of time during which its disclosure would jeopardize any strategy negotiation or investigation undertaken pursuant to discussions conducted under § 42-46-5(a).

42-46-5. Purposes for which meeting may be closed — Use of electronic communications — Judicial proceedings — Disruptive conduct. —

(a) A public body may hold a meeting closed to the public pursuant to § 42-46-4 for one or more of the following purposes:

(1) Any discussions of the job performance, character, or physical or mental health of a person or persons provided that such person or persons affected shall have been notified in advance in writing and advised that they may require that the discussion be held at an open meeting.

Failure to provide such notification shall render any action taken against the person or persons affected null and void. Before going into a closed meeting pursuant to this subsection, the public body shall state for the record that any persons to be discussed have been so notified and this statement shall be noted in the minutes of the meeting.

(2) Sessions pertaining to collective bargaining or litigation, or work sessions pertaining to collective bargaining or litigation.

(3) Discussion regarding the matter of security including but not limited to the deployment of security personnel or devices.

(4) Any investigative proceedings regarding allegations of misconduct, either civil or criminal.

(5) Any discussions or considerations related to the acquisition or lease of real property for public purposes, or of the disposition of publicly held property wherein advanced public information would be detrimental to the interest of the public.

(6) Any discussions related to or concerning a prospective business or industry locating in the state of Rhode Island when an open meeting would have a detrimental effect on the interest of the public.

(7) A matter related to the question of the investment of public funds where the premature disclosure would adversely affect the public interest. Public funds shall include any investment plan or matter related thereto, including but not limited to state lottery plans for new promotions.

(8) Any executive sessions of a local school committee exclusively for the purposes (a) of conducting student disciplinary hearings or (b) of reviewing other matters which relate to the privacy of students and their records, including all hearings of the various juvenile hearing boards of any municipality; provided, however, that any affected student shall have been notified in advance in writing and advised that he or she may require that the discussion be held in an open meeting.

Failure to provide such notification shall render any action taken against the student or students affected null and void. Before going into a closed meeting pursuant to this subsection, the public body shall state for the record that any students to be discussed have been so notified and this statement shall be noted in the minutes of the meeting.

(9) Any hearings on, or discussions of, a grievance filed pursuant to a collective bargaining agreement.

(10) Any discussion of the personal finances of a prospective donor to a library.

(b) No meeting of members of a public body or use of electronic communication, including telephonic communication and telephone conferencing, shall be used to circumvent the spirit or requirements of this chapter; provided, however, these meetings and discussions are not prohibited.

(1) Provided, further however, that discussions of a public body via electronic communication, including telephonic communication and telephone conferencing, shall be permitted only to schedule a meeting.

(2) Provided, further however, that a member of a public body may participate by use of electronic communication or telephone communication while on active duty in the armed services of the United States.

(3) Provided, further however, that a member of that public body, who has a disability as defined in chapter 87 of title 42 and:

(i) cannot attend meetings of that public body solely by reason of his or her disability; and

(ii) cannot otherwise participate in the meeting without the use of electronic communication or telephone communication as reasonable accommodation, may participate by use of electronic communication or telephone communication in accordance with the process below.

(4) The governor's commission on disabilities is authorized and directed to:

(i) establish rules and regulations for determining whether a member of a public body is not otherwise able to participate in meetings of that public body without the use of electronic communication or telephone communication as a reasonable accommodation due to that member's disability;

(ii) grant a waiver that allows a member to participate by electronic communication or telephone communication only if the member's disability would prevent him/her from being physically present at the meeting location, and the use of such communication is the only reasonable accommodation; and

(iii) any waiver decisions shall be a matter of public record.

(c) This chapter shall not apply to proceedings of the judicial branch of state government or probate court or municipal court proceedings in any city or town.

(d) This chapter shall not prohibit the removal of any person who willfully disrupts a meeting to the extent that orderly conduct of the meeting is seriously compromised.

42-46-6. Notice. —

(a) All public bodies shall give written notice of their regularly scheduled meetings at the beginning of each calendar year. The notice shall include the dates, times, and places of the meetings and shall be provided to members of the public upon request and to the secretary of state at the beginning of each calendar year in accordance with subsection (f).

(b) Public bodies shall give supplemental written public notice of any meeting within a minimum of forty-eight (48) hours before the date. This notice shall include the date the notice was posted, the date, time and place of the meeting, and a statement specifying the nature of the business to be discussed. Copies of the notice shall be maintained by the public body for a minimum of one year. Nothing contained herein shall prevent a public body, other than a school committee, from adding additional items to the agenda by majority vote of the members. School committees may, however, add items for informational

purposes only, pursuant to a request, submitted in writing, by a member of the public during the public comment session of the school committee's meetings. Informational items may not be voted upon unless they have been posted in accordance with the provisions of this section. Such additional items shall be for informational purposes only and may not be voted on except where necessary to address an unexpected occurrence that requires immediate action to protect the public or to refer the matter to an appropriate committee or to another body or official.

(c) Written public notice shall include, but need not be limited to posting a copy of the notice at the principal office of the public body holding the meeting, or if no principal office exists, at the building in which the meeting is to be held, and in at least one other prominent place within the governmental unit, and electronic filing of the notice with the secretary of state pursuant to subsection (f); however, nothing contained herein shall prevent a public body from holding an emergency meeting, upon an affirmative vote of the majority of the members of the body when the meeting is deemed necessary to address an unexpected occurrence that requires immediate action to protect the public. If an emergency meeting is called, a meeting notice and agenda shall be posted as soon as practicable and shall be electronically filed with the secretary of state pursuant to subsection (f) and, upon meeting, the public body shall state for the record and minutes why the matter must be addressed in less than forty-eight (48) hours and only discuss the issue or issues which created the need for an emergency meeting. Nothing contained herein shall be used in the circumvention of the spirit and requirements of this chapter.

(d) Nothing within this chapter shall prohibit any public body, or the members thereof, from responding to comments initiated by a member of the public during a properly noticed open forum even if the subject matter of a citizen's comments or discussions were not previously posted, provided such matters shall be for informational purposes only and may not be voted on except where necessary to address an unexpected occurrence that requires immediate action to protect the public or to refer the matter to an appropriate committee or to another body or official. Nothing contained in this chapter requires any public body to hold an open forum session, to entertain or respond to any topic nor does it prohibit any public body from limiting comment on any topic at such an open forum session. No public body, or the members thereof, may use this section to circumvent the spirit or requirements of this chapter.

(e) A school committee may add agenda items not appearing in the published notice required by this section under the following conditions:

(1) The revised agenda is electronically filed with the secretary of state pursuant to subsection (f), and is posted on the school district's website and the two (2) public locations required by this section at least forty-eight (48) hours in advance of the meeting;

(2) The new agenda items were unexpected and could not have been added in time for newspaper publication;

(3) Upon meeting, the public body states for the record and minutes why the agenda items could not have been added in time for newspaper publication and need to be addressed at the meeting;

(4) A formal process is available to provide timely notice of the revised agenda to any person who has requested that notice, and the school district has taken reasonable steps to make the public aware of this process; and

(5) The published notice shall include a statement that any changes in the agenda will be posted on the school district's web site and the two (2) public locations required by this section and will be electronically filed with the secretary of state at least forty-eight (48) hours in advance of the meeting.

(f) All notices required by this section to be filed with the secretary of state shall be electronically transmitted to the secretary of state in accordance with rules and regulations which shall be promulgated by the secretary of state. This requirement of the electronic transmission and filing of notices with the secretary of state shall take effect one (1) year after this subsection takes effect.

(g) If a public body fails to transmit notices in accordance with this section, then any aggrieved person may file a complaint with the attorney general in accordance with section 42-46-8.

42-46-7. Minutes. —

(a) All public bodies shall keep written minutes of all their meetings. The minutes shall include, but need not be limited to:

(1) The date, time, and place of the meeting;

(2) The members of the public body recorded as either present or absent;

(3) A record by individual members of any vote taken; and

(4) Any other information relevant to the business of the public body that any member of the public body requests be included or reflected in the minutes.

(b) A record of all votes taken at all meetings of public bodies, listing how each member voted on each issue, shall be a public record and shall be available, to the public at the office of the public body, within two (2) weeks of the date of the vote. The minutes shall be public records and unofficial minutes shall be available, to the public at the office of the public body, within thirty five (35) days of the meeting or at the next regularly scheduled meeting, whichever is earlier, except where the disclosure would be inconsistent with §§ 42-46-4 and 42-46-5 or where the public body by majority vote extends the time period for the filing of the minutes and publicly states the reason.

(c) The minutes of a closed session shall be made available at the next regularly scheduled meeting unless the majority of the body votes to keep the minutes closed pursuant to §§ 42-46-4 and 42-46-5.

(d) All public bodies within the executive branch of the state government and all state public and quasi-public boards, agencies and corporations shall keep official and/or approved minutes of all meetings of the body and shall file a copy of the minutes of all open meetings with the secretary of state for inspection by the public within thirty-five (35) days of the meeting; provided that this subsection shall not apply to public bodies whose responsibilities are solely advisory in nature.

(e) All minutes required by this section to be filed with the secretary of state shall be electronically transmitted to the secretary of state in accordance with rules and regulations which shall be promulgated by the secretary of state. This requirement of the electronic transmission and filing of minutes with the

secretary of state shall take effect one year after this subsection takes effect. If a public body fails to transmit minutes in accordance with this subsection, then any aggrieved person may file a complaint with the attorney general in accordance with §42-46-8.

42-46-8. Remedies available to aggrieved persons or entities. —

(a) Any citizen or entity of the state who is aggrieved as a result of violations of the provisions of this chapter may file a complaint with the attorney general. The attorney general shall investigate the complaint and if the attorney general determines that the allegations of the complaint are meritorious he or she may file a complaint on behalf of the complainant in the superior court against the public body.

(b) No complaint may be filed by the attorney general after one hundred eighty (180) days from the date of public approval of the minutes of the meeting at which the alleged violation occurred, or, in the case of an unannounced or improperly closed meeting, after one hundred eighty (180) days from the public action of a public body revealing the alleged violation, whichever is greater.

(c) Nothing within this section shall prohibit any individual from retaining private counsel for the purpose of filing a complaint in the superior court within the time specified by this section against the public body which has allegedly violated the provisions of this chapter; provided, however, that if the individual has first filed a complaint with the attorney general pursuant to this section, and the attorney general declines to take legal action, the individual may file suit in superior court within ninety (90) days of the attorney general's closing of the complaint or within one hundred eighty (180) days of the alleged violation, whichever occurs later.

(d) The court shall award reasonable attorney fees and costs to a prevailing plaintiff, other than the attorney general, except where special circumstances would render such an award unjust.

The court may issue injunctive relief and declare null and void any actions of a public body found to be in violation of this chapter. In addition, the court may impose a civil fine not exceeding five thousand dollars (\$5,000) against a public body or any of its members found to have committed a willful or knowing violation of this chapter.

(e) [Deleted by P.L. 1988, ch. 659, § 1.]

(f) Nothing within this section shall prohibit the attorney general from initiating a complaint on behalf of the public interest.
